

Alice Kathleen  
&  
Company

*Celebrating 10 Years*

SPRING and SUMMER  
10-Year Anniversary Collection

*A Celebration Of The Journey*  
 Alice Kathleen & Company debuted 10 years ago  
 with a single "hand-stitched" appliqué,  
 the "Big Flower & Caterpillar."  
 Since then, Kathryn Thomas has designed  
 classic clothing for children across the country,  
 growing the company into a full lifestyle brand.  
 Looking back, we celebrate this journey  
 and look forward to what is yet to come.

## *A Celebration Of Childhood*

*Alice Kathleen & Company  
celebrates the belief that  
childhood is something  
to be cherished, unburied,  
and full of captured memories.*

### *A Celebration Of Tradition*

*Alice Kathleen & Company  
is a high fashion line that holds  
value, tradition, and meaning  
to the highest standard possible,  
bridging the gap in the marketplace  
for truly timeless pieces for either  
a special holiday or daily living.*
